this book is a compilation of small articles and posts the whole motive of this book is to get people motivated and to become aware of small issues in which we have the tendency to overlook this book is a serious effort by the author to change the perspective of people these ideas and definitions are his own and he wants people to think outside the box the author believes that this is the best way of getting his messages to the mass public he wanted to

share many ideas he also believes this is the only best way to convey his messages in small stories and posts he believes if you even read one post a day then this will have a great impact on you the author believes that we do things without thinking about them and without evaluating the consequences and outcome of them this book is a small gesture and a big effort to shake people up to the different ideas and to make people realize to see the world in a different perspective he believes that we have very many interesting things around us but we are just stuck in life and regular stuff we need to realize our true potential and we should see the world in a different way

first published in 2002 routledge is an imprint of taylor francis an informa company

urban schools documents the quality of resistance and identity politics in relation to both the formal and hidden curricula of urban schools their pedagogical practices and their administrative norms and policies building on the notion that the study of marginality is equally as important as an understanding of the school s structural connections to the wider society mickey lauria and luis f mirón demonstrate how resistance is much more psychological events indeed within the social context of the formation of racial and ethnic identity in schools in new orleans louisiana students acts of resistance alter the ideological structures of schooling

teachers are a special blessing from god to us they are the ones who build a good nation and make the world a better place a teacher teaches us the importance of a pen over that of a sword they are much esteemed in society as they elevate the living standards of people they are like the building blocks of society who educate people and make them better human beings in this anthology we try to get the emotions of teachers about the students and students about the teachers i hope that it will be help to understand the emotion of each

a romance of two worlds starts with a young heroine in first person telling her story of a debilitating illness that includes depression and thoughts of suicide her doctor is unable to help her and sends her off on a holiday where she meets a mystical character by the name of raffello cellini a famous italian artist cellini offers her a strange potion which immediately puts her into a tranquil slumber in which she experiences divine visions upon waking she craves more later she meets her unnamed guardian angel who whisks her through infinite solar systems faster than a shooting star while human spirits fly by like gossamer silk he shares the truth of religion and the secret of human destiny but still she longs for more she comes to understand god as pure light and pure love but it is not enough that she should see and hear these things from the touch of an angel she wants to master this ability on her own and seeks a oneness with god through a series of meditative disciplines while locked away in a monastery
